Preamble

Dhanalakshmi Srinivasan Engineering College (DSEC), self financing College started in 2001, with dedicated efforts and immense encouragement of Shri.A.Srinivasan, Correspondent of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur. Our College is committed to achieve the recognition as Institution of Excellence by consistently providing a high quality education in the fields of Engineering, Technology and Management with excellent professionalism and global outlook ensuring continual improvement of future engineers. DSEC currently offers 7 UG programmes in Engineering and Technology & 8 PG programmes. In recognition of our commitment towards the quality education, the globally renowned British standards institution (BSI), London has conferred our college with **ISO 9001:2008 Certification** in November 2009.

Department profile

The department of Electrical and Electronics Engineering was established in the year 2002. The department shares the mission and vision of the institution, in imparting the high quality education to the students. It offers B.E (EEE), M.E (Power Electronics & Drives) and M.E (Embedded System Technologies) accredited by **NAAC** with **A Grade** by the highly qualified, committed and research oriented faculty members. The department has a very close interaction with many leading research oriented industries.

The main objective of the department is to provide industrial environment to the learners with help of spacious and well-equipped laboratories. The department offers various seminars, workshops, symposium and entrepreneurship development programmes for the students to help them keep pace with the rapid changes and future technologies in the field of Electrical Engineering and Technology.

Objective

The objective of the conference is to serve as a forum for the exchange of ideas on the latest development and future trends in the field Energy Management and Renewable Energy Systems.
