Two Days National Conference on

Current Developments in Computer Science & IT and its Impact on Management, Social Sciences and Education

25th & 26th November 2016
S I M S
CREATING INNOVATORS
Accredited as 'A' Grade by NAAC.

Organized by

Srinivas Institute of Management Studies (NAAC Accredited with 'A' Grade)

Srinivas Campus, Pandeshwar, Mangaluru -575001.

About Us:

Srinivas Institute of Management Studies, established in 1999 under the aegis of A. Shama Rao Foundation, is a premier education institution imparting innovative and quality education to youth in areas of Business Management, Commerce, Social work and Computer Applications, affiliated to Mangalore University and approved by AICTE, New Delhi. The Institute is accredited with 'A Grade' by National Assessment and Accreditation Council (NAAC). Keeping pace with the emerging challenges. the College is imparting students and faculty with skills knowledge and necessary for success in a dynamic educational scenario and employment market. The campus is located at Pandeshwar, the heart of downtown Mangalore, the business and financial centre of Western Karnataka.

About the Conference:

Development is a process which everyone in this world is talking about and also experiencing in this 20th century. It has spread across the sectors like IT, Management, Social Science or even Education. Information Technology is the major force behind such developments across various sectors. Business and IT companies need to look beyond traditional measures of performance and adapt to change in environment to achieve organizational success and sustained growth. With this context we are hosting a 2 days national conference on "Current Developments in Computer Science & IT and its Impact on Management, Social Sciences and Education" to be held on 25th and 26th November 2016.

Call for Papers:

This conference seeks to provide a platform to address and deliberate on various issues and concerns in the fields of Information Technology, Computer Science, Banking, Management, and Social Sciences. We invite Research Papers, Case Studies and Articles from various fields of Information Technology, Computer Science, Banking, Management, Education and Social Sciences that address the theme of the conference.

CONFERENCE THEME Current Developments in Computer Science & IT and its Impact on Management, Social Sciences and Education
